PROVO CITY, et al,)
 :)
 Defendants.)

The Provo Reservoir Company, and the Utah Power & Light Company, parties of the above entitled cause, having this day appeared before the court in accordance with stipulation made by them, and made of record, and so requested that an order be made instructing the commissioner in regard to the distribution of the waters of the Provo river herein-after referred to, each of said parties being represented by their respective counsel of record, and the court having heard the proofs produced, and the arguments of counsel, and being now fully advised, make the following:

ORDER

The said commissioner is ordered and directed to turn over the dam of the Utah Power & Light Company for the use of the Provo Reservoir Company

1st Such water as may be turned into the channel of the Provo river by the Provo Reservoir Company from its reservoirs near the head of said river.

2nd Such water as may be turned into the channel of Provo river by the Provo Reservoir Company from Shingle Creek.

3rd. The portion of the waters of the Ontario Tunnel of which the Provo Reservoir Company is the owner as shown by the record in this cause.

Each of the foregoing waters to be diminished four per cent in their flow over said dam below the quantity turned to said river on account of evaporation and seepage.

and Dixon
4th What is known as the Wright/water in quantity
specified in the tentative decree herein, subject to
pro rata diminution however with other "Class A" rights.

The commissioner and the above named parties, parties
to said stipulation, will be governed by the foregoing
order until the further order of this court.

Chas. M. Mone
Judge.
